

Pixie Class 29.09.2023

Welcome to Pixie Class. This is our first post of the year. It has been wonderful to get to know all the lovely children in Pixie Class. We, the Nursery team, are very happy with how the children are settling in to their new classroom and our daily routines. They are beginning to sit calmly and patiently on the carpet and are becoming more confident in communicating their needs and interests.

Our topic this half-term has been 'My World' which is an exploration of who we are, how we feel and what we like.

Next half-term our topic will be 'Transport'.

In literacy we are reading lots of stories and focussing on characters and settings. We have begun Phase 1 phonics concentrating on developing our speaking and listening skills, which lays the foundation for Phase 2 phonics, when we begin to learn the letter sounds, oral blending and segmenting skills. Some children who were with us last year will be continuing on with Phase 2 phonics.

In Maths, we are concentrating on number, shapes and pattern. Currently we are learning to count out objects correctly and identify numerals.

Thank you so much for your support. We are so looking forward to the fantastic year ahead.

Regards

The Nursery Team
