

Our Year in Reception

We are so proud of our Unicorns' achievements and how hard they have worked every day. We have covered a range of topics, from 'me, myself and I', transport, our local community and leaders amongst others.

Literacy

Our Unicorns have enjoyed our daily literacy and phonics lessons, and they have read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words. We have all enjoyed our journey from mark making, forming recognisable letters and now being able to write simple phrases and sentences that can be read by others.

Mathematics

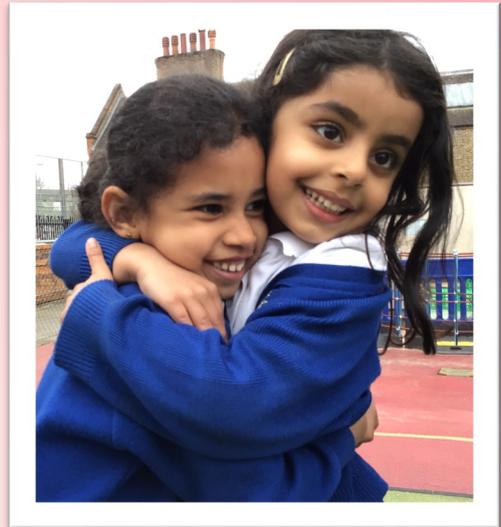

Our daily lessons have supported us in having a deep understanding of numbers to 10, including the composition of each number. We have learnt about 'Subsiding' which is when we can recognise quantities without counting up to 5. We can compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as. We have also explored and represented number patterns within 10. Including even and odd numbers, double facts and how quantities can be distributed equally.

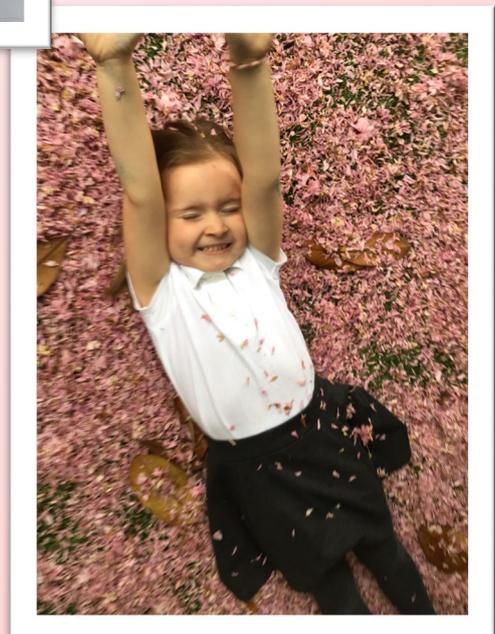

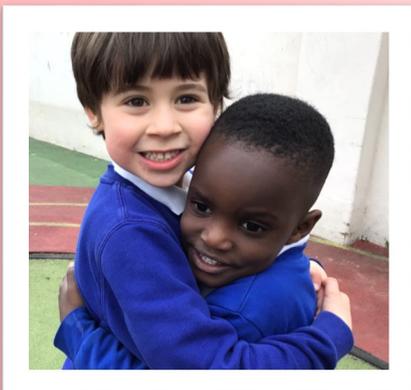

Our Year in Reception

What an amazing year we have had in Unicorn Class.. We are so lucky to have one another. Our unicorns have developed their resilience, confidence, independence and eagerness. The children have all grown in understanding kindness and humanity. We have enjoyed taking part in daily meditation and yoga, this has helped to nurture our souls and minds.

We have found our voices, realising we are different from one another. The class have learnt to respect ,take turns, listen to others and show their affection in different ways. It has been wonderful watching them grow and progress throughout the year.

In A world
where you
can Be 
Anything
Be Kind

Our Year in Reception

...and we have celebrated!

Birthdays, World book day, Mother's day, The Queen's Platinum Jubilee, Assemblies, Graduation and much more ...
