

1st May 2019

Dear Parents/Carers,

It is with enormous pleasure that I write to share the fantastic news that Oxford Gardens Primary School has once again been rated as 'GOOD' by Ofsted following a one day inspection on the 26th March 2019.

We are thrilled with Ofsted's overall judgment and especially pleased with so many incredibly positive comments which include:

- The leadership team has maintained the good quality of education in the school since the last inspection. It has demonstrated strong practice and marked improvement in specific areas. This may indicate that the school has improved significantly overall.
- Leaders are dynamic and know your school.
- Teachers have high expectations, including to extend pupils' vocabulary.
- Pupils in Key Stage 1 learn well because leaders have the highest expectations for them.
- Pupils' progress in reading is improving for all groups. Through carefully targeted support, disadvantaged pupils perform as well as their peers.

As a School we are always striving to improve and as such I am very pleased that Ofsted endorsed our school improvement priority.

As a result of such a positive inspection Ofsted will return to Oxford Gardens within 12-24 months and carry out a Section 5 inspection (under the current framework this is a 2 day inspection.)
