

Robot Week at OGPS was a brilliant success!

Each class entered a robot to our robot competition. We were blown away by the entries and after much deliberation from our judges (our two S2S leaders and Ms Clare) the winning teams were:

3<sup>rd</sup> place: Nursery for their amazing giant robot.

2<sup>nd</sup> place: Centaur for their portable pharmacy robot taking medication to people in need.

1<sup>st</sup> place Griffin for their Fire Fighter H2O robot complete with hoses and sensors.

We must say a huge thank you to the British Science Association, who granted us funding for this fun science filled week.
